

Junior Club

Private or Semi-private lessons
for your skater to fuel their passion!

January/February, 2012 Contract

What is Junior Club?

Junior Club provides freestyles (ice time) for skaters who want to skate more than during Learn to Skate times. THERE ARE NO GROUP LESSONS. It's also a way to prepare a skater to join our Senior Club. During Junior Club freestyles, skaters will learn to use the full rink to practice the things they have learned during Learn to Skate.

They can also contract individually with pro coaches for private or semi-private lessons. It is strongly recommended that skaters find a pro coach. This will help the skater progress faster and will help her/him to know what to do during freestyle. For available coaches, please check our website for more information.

Participation in Learn to Skate is not required. However, it is strongly recommended that the skater continue to take LTS lessons during the times they are offered.
